What is the Chamber of Commerce?

The Chamber of Commerce is an energizing and vitalizing force in our community seeking to unite all industrial, commercial and civic interests in which to promote the whole community in which we live.

The Chamber of Commerce is under the leadership of the Board of Directors. These are community minded leaders who serve our area and are elected by the general membership at an annual meeting. The Board employs one paid Executive Director who is responsible for encouraging new members, motivating the membership, maintaining a good influence in the community and keeping the Chamber up and running on a daily basis.
